TDEC will receive public comments concerning the proposed permit action described below:

Facility Location: Statewide
Division ID Number: TNB000000
Description: The State proposes to reissue the State Operational General Permit for the Land Application of Non-Exceptional Quality Biosolids. The permit language has been updated and modified to align more closely with Rule 0400-40-15 Biosolids Management.

TDEC staff will hold an informational session prior to opening the formal public hearing. The informational session will have a question and answer format and will include a presentation by TDEC staff on the proposed permit action. TDEC staff will collect all public comments without response during the hearing. TDEC staff will provide written responses to all oral and written comments following the public hearing, prior to making a final determination on the permit action.

The meeting moderator may limit the length of oral comments in order to allow all parties an opportunity to speak, and will require that all comments be relevant to the proposed permit action and the DWR issues. TDEC staff considers written comments accepted at the hearing through April 25, 2019, to be part of the hearing record.

Individuals with disabilities who wish to participate in these proceedings should contact TDEC to discuss any auxiliary aids or services needed to facilitate such participation. Contact may be in person, by writing, telephone, or other means, and should be made no later than Wednesday, April 10, 2019, to allow time to provide such aid or services. Contact the ADA Coordinator (1-866-253-5827) for further information. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

Interested persons may obtain additional information, including a copy of the draft permit, and may inspect and copy related documents at the division's offices. Please contact Anastasia Sharp, the permit writer, for further information at 615-532-1508 or by email at Anastasia.Sharp@tn.gov.
